The Humidour Family Pages...

Finnie's Dad

Daddy Jim is still working a lot of hours at the shoppe so Finnie can make plans for the "Big Fat Greek Wedding". He also has relocated to Gilbert Marsiglia Company, Inc. to continue his real estate services.

Mama P

Mama P is traveling from house to house to help with the eleven grandchildren. We are still waiting for her famous cookies and Greek sweets.

Dean, Laura, Jacob

Dean works with computers at Choice Technology as a Network Engineer. Laura is still in the travel business. She also stays busy with Jacob's schedule. Jacob is in the 5th grade. He is active in Boy Scouts, takes horseback riding lessons and plays golf.

Ben, Andrea, Dimitri, Yianni, Aleksander, Nicholas, and Madeline

Ben is still painting. He is also promoting his very own line of cigars called "Trust", which are manufactured in Nicaragua. You have to try this one. Andrea is working with "We the People", a document service company. Dimitri is in 3rd grade and Yianni is in 2nd grade. They both play football and indoor lacrosse. Aleksander is in 4th grade, Nicholas is in 6th grade, and Madeline is in 3rd grade. They all play soccer and basketball.

Tony, Doreen, Marilyn, Stevie, Trina, Demi
Tony is working hard at Barron's Deli in Lexington Market. Doreen is looking for babysitters to help out anytime. Marilyn is in 1st grade. She takes dancing and plays soccer. Stevie is in kindergarten. He plays soccer. They both seem to be taking after their father in the soccer area because he was a

legend back in Lancaster, PA. Trina & Demi (our twins) are walking, talking, kissing and still keeping us up in the middle of the night.

Mike, Krissa, and Harry

Mike is being the best new dad with Harry. He is also working on building an addition to their log home. Krissa is being the best new mom with Harry. She is also in her last year of Midwifery School and working at John's Hopkins. Baby Harry arrived on July 1, 2002 and is growing like a weed. He is looking more and more like Mike everyday (wait until you see him!). He also enjoys watching the Ravens with his Dad.

Chris and Finnie

As we all already know, Chris finally proposed to Finnie in Las Vegas and yes, Finnie is very busy planning for the wedding. You have to go see the movie "My Big Fat Greek Wedding", to get a preview. Yes, Chris and Finnie are getting married on November 1, 2003 (OF COURSE, THE SHOPPE WILL BE CLOSED THAT DAY). They are also in the process of finding a home with Daddy Jim.

Angie

She is still playing the role of Nanny for nine kids now. Great news, she finally met Dave Matthews while in the Big Apple. She also is taking Real Estate classes to get her license (Is she trying to inherit her father's business?)

Matt

Angie's Boyfriend is now working full-time at the shoppe being very flexible around the family's schedules. He is also taking Real Estate courses to get his license with Angie.
