

Looking Back On The Past Year

A Letter From Daddy Jim

- Smoke on the Water was again a huge success and we proudly presented \$15,000.00 to The Ed Block Courage Awards Foundation and Survivor Diver. This annual event is held on the Thursday of Preakness Week. It is getting bigger and better every year.
- We participated in several charity golf tournaments this year: An Poitin Stil, Sheriff Fisher, Country Club of Maryland, Towson Business, etc. The bummer is that because of Dad's surgery, he only got to play in one.
- The Second Friday of each month has also become another winner at the shop. These tasting events have been well received by our customers and the participating manufacturers. Food, drinks, and free cigars go well together.
- This year we started "Cigars and Bars", which takes place from 5-7 pm every other month at one of our cigar friendly bars and restaurants. The evening features a specialty cocktail along with a cigar made by Davidoff at a discounted price for the two. This past year we were at An Poitin Stil Irish Pub & Restaurant, DeGroen's Grill, and Morton's Steakhouse. More to come next year, keep an eye out for the flyers laying around the shoppe.
- In September, we celebrated our Seven Year Anniversario Party with Ashton. It was a huge success. We have decided to have a two day event every year for our anniversary. At the party, we initiated our raffle for the \$12,000 humidor. The response has been overwhelming. All proceeds will be given to Survivor Diver. The raffle will take place on Christmas Eve. Don't miss out on this one of kind prize!

The Humidour Family Pages...

Finnie's Dad

While Finnie continues to come up with new programs for our customer's (i.e. rewards) she needs to bring Dad up another level with his computer skills! We thank our customers for their patience when Dad is at the register - give him time! Fortunately, Dad's real estate sales have not suffered via the computer. He is now completing a record year and is most appreciative to those of you who have placed their trust in him.

Mama P

Since Finnie's wedding, she has returned to doing what she does best - cooking and watching 13 grandchildren. She and Daddy Jim (no kids) took an extended vacation to the Florida Keys (prior to the hurricanes) where they traded for a pre-owned 42ft motorhome. It's huge!

Dean, Laura, Jacob

Dean is a real Raven's tailgating junky and is doing his part to get them into the playoffs! Laura, when not working at the shoppe, can be found at various craft shows with Americana & Primitive items. First grandchild, Jacob is into photography and computers (like his father). The family recently purchased a lot in Pauley's Island, South Carolina for the future.

Ben, Andrea, Dimitri, Yianni, Aleksander, Nicholas, and Madeline

In the Pecunes tradition, last February, our 13th grandchild was born, she is a beauty! "Isabella" is their sixth child. On Mother's Day weekend, Ben and Dad flew to Phoenix to bring back a used motorhome that Ben had purchased on E-Bay. He then drove the whole family to Las Vegas in July for the cigar convention/cross country trip. They only broke down three times! Little league is a full time job for them also.

Tony, Doreen, Marilyn, Stevie, Trina, Demi

Tony continues working hard at Barron's Deli in Lexington Market. The battle between Tony (Steelers fan) and the rest of the family continues with his own son, Stevie, an avid Raven supporter. Doreen has a few hours of sanity time now because the twins started pre-school. Marilyn and Stevie had their stage debut at the St. Demetrios Greek Orthodox Church performance of Bye-Bye Birdie.

Mike, Krissa, Harry, Zachary

They have moved into their new home in Shrewsbury with their two sons. Krissa is back to work at Hopkins delivering babies, while Mike continues to build his construction company and snow plowing business. The boys continue to grow and watch tons of football with their Dad.

Chris and Finnie

Now that the "Big Fat Greek Wedding" is a year old memory, the realities have set in for them. Finnie continues to take the shoppe to new levels. Chris has now joined the staff at Columbia Builders. They are enjoying their home in Perryville, staying halfway between both families.

Angie and Matt

The highlight for them was their trip to Las Vegas and The Grand Canyon. Angie continues to attempt to reorganize Dad at the shop. She is quickly becoming the most sought after "Nanny" in the State of Maryland. Matt has left the shop to pursue a career with UPS. He will not know if it's permanent until next year. We truly miss him at the shoppe.

George

Welcome aboard! George is part of the family (cousin) and has recently joined the staff at the shoppe on a part-time basis. He is attending Essex Community College and majoring in business law. With Matt leaving, we really are pleased to have him.

Ron & Reggie

Ron and Reggie you should all know by now - they continue to help us out part time at the shoppe whenever there is a family party. Ron also works for the Comptroller of Maryland and Reggie continues his accounting practices.
